Non-Compliant Cages?

Are you paying for cylinders and cages that aren't up to code?

Is your propane supplier giving you cylinders that don't belong to them?

If your cylinders aren't uniform in colour, chances are your supplier is refilling and delivering cylinders that aren't even theirs!

Don't allow their issues to become your problem!

Don't risk a fine from the TSSA.

Amazing prices, people, and all-round customer service. Getting about half off compared to my old LN2 supplier is quite nice; everything's really great in general. No complaints whatsoever, 10/10 would recommend.
