

CLOTHING

Proban® jacket

Weld Warrior Proban®/leather jackets are designed for maximum comfort and safety. Sleeves and shoulders are made of durable grade-A leather to withstand the exposure to welding spatter. The front and back are made from flame-retardant Proban® material. The jacket features concealed inner pockets, adjustable sleeves, a stand-up collar, and Kevlar® stitching.

Size L	0700 010 302
Size XL	0700 010 303
Size XXL	0700 010 304

CLOTHING

FR line

ESAB's FR line of flame retardant clothing is designed to give maximum protection to the professional welder while providing comfort in the most demanding environments.

Garments are made with Phoenix FR material, which gives the clothing 100% FR protection for the lifetime of the garment. There are no worries of washing out or wearing down the flame retardant fibers as these properties are an inherent part of the garment.

	Chest	The Jersey	The Fleece	The Winter
Size S	38 in.	0700010373	0700010368	0700010358
