★★★★★ Google Review

A month ago
when you first walk in, you notice
right away that it is the nicest
show room in the GTA, the staff is
courteous and helpful when you
enter (Karen) , and if you have a
welding question, Jordi is there
to answer any questions you may
have, i highly recommend Josef

Non-Compliant Cages?

Are you paying for cylinders and cages that aren't up to code?

Is your propane supplier giving you cylinders that don't belong to them?

If your cylinders aren't uniform in colour, chances are your supplier is refilling and delivering cylinders that aren't even theirs!

Don't allow their issues to become your problem!

Don't risk a fine from the TSSA.

Call Now and get compliant with Josef Gas!

- ✓ Clean tanks that are TC and TSSA approved
- ✓ New storage cages that are up to code

- ✓ Automatic deliveries
- ✓ Centrally located in Vaughan
- ✓ Josef Gas maintained propane tanks
- ✓ Piece of mind with tanks filled and delivered only by professionals
